JULY 22-27, 2022

STERLINGTON SPORTS COMPLEX

DISCOVER MONROE
WEST LOUISIANA
MONROE

To: Participants and Spectators of the 2022 World Series Events.

On behalf of DBB, Inc., it is with great enthusiasm I welcome you to the 2022 DBB World Series baseball for four of our age divisions. We had a wonderful 65th Anniversary celebration in 2021. Youth baseball is rebounding from the COVID-19 pandemic. While we pause to remember those impacted; it is our hope in moving forward these fun-filled events will provide, a lot of enjoyment. Countless volunteers give many hours of dedicated service in order for young people to enjoy baseball. It is a true blessing to have outstanding leadership in DBB and within our local leagues. We thank everyone that has contributed to the success of our 2022 program.

We are honored Discover Monroe -West Monroe extended an invitation for us to visit. Alana Cooper, President and CEO, fully supports our extended partnership, enabling us to offer quality World Series events at the outstanding facilities of the Sterlington Sports Complex and ULM Warhawk Field. Dr. Ronald Berry, President of University of Louisiana Monroe made available campus facilities for our use. Coach Michael Federico, ULM Baseball Coach, is providing the recently renovated Warhawk Field for a weekend of action with the DBB Pre-Majors tournament. The entire venue is included for our meetings and the opening ceremony. This is truly a joint effort!

Scott Bruscato, Sr. Vice President of Discover Monroe - West Monroe and the entire CVB staff are great to work with. Scott oversees all of the events as the host event director. The 2021 World Series events included our introduction to having all of our events in one locale. DBB enjoyed excellent hospitality as well as outstanding baseball displayed throughout the five tournaments. Discover Monroe - West Monroe received statewide recognition for the successful 2021 event. The 2022 World Series events will also be outstanding. We recognize the commitment level and understand the logistics.

During your visit there are many opportunities available for dining, coupled with the area attractions you will really want to visit. Baseball action at the Sterlington Sports Complex (five playing fields) coupled with Warhawk Field provide opportunities to witness baseball games from four divisions of DBB. We thank Kerry Elee and Ben Sheets, co-owners of 2 Seam Sports for allowing us to book events at the Sterlington Sports Complex. Best wishes to the fifty (50) plus DBB tournament teams in action July 20-27, 2022.

James Sandy Jones

As we all know, the weather in North Louisiana is hot and humid. Players are at high risk for heat related illness during this time.

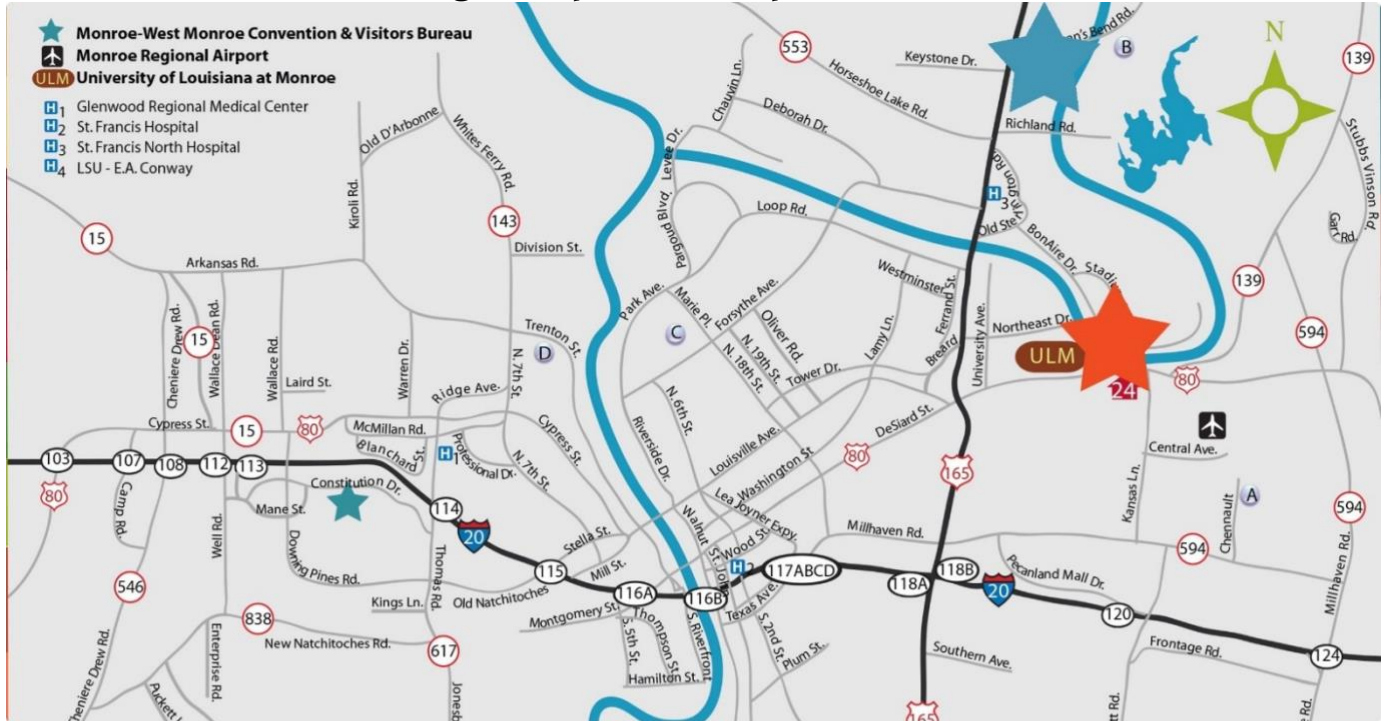

Some prevention tips:

- Identify susceptible players: large individuals with large muscles or fat layers or players who have a history of heat illness.
- Acclimate players to the weather through planned workouts. Start with short durations gradually increasing in length and intensity.
- Generous free intake of fluids prior to-during-and after practice and games. Fluid breaks should be every ½ hour during practice.

Diet: FLUID REPLACEMENT IS MOST IMPORTANT IN THE PREVENTION OF HEAT ILLNESS. Electrolyte replacement such as bananas for potassium, potato chips for salt, fruits and vegetables should be included in the diet.
