MONROE

To: Participants and Spectators of the 2023 World Series Events.

On behalf of DBB, Inc., it is with much excitement that I welcome you to the 2023 DBB 15U division World Series and the Pre-Majors World Series. We enjoyed outstanding events last year in Sterlington and Monroe. Four of the five divisions for the 2022 World Series events occurred in Ouachita Parish. Youth baseball is continuing to rebound as young people are returning to the baseball fields. We recognize the positive impact that youth baseball has on the participants. Dedicated volunteers give many hours of service in order for young people to enjoy the great game of baseball. We are fortunate to have outstanding leadership in DBB. Local league volunteers are doing great work. We thank everyone that contributed to the success of our 2023 program.

We are pleased Discover Monroe -West Monroe extended an invitation for us to visit. Alana Cooper, President and CEO, fully supports our long-term partnership, enabling us to offer quality World Series events at the outstanding facilities of the Sterlington Sports Complex. DBB doesn't take for granted the strong relationship established with Discover Monroe - West Monroe. From the moment the CVB became involved, we have greatly benefited from the professional and "can-do" attitude of the entire staff. The real winners are the World Series participating players as everyone has worked to create an enjoyable experience with lasting memories of their time at the World Series.

Scott Bruscato, Sr. Vice President of Discover Monroe - West Monroe and the entire CVB staff are a pleasure to work with. Scott manages the World Series events as the host event director. DBB enjoys the excellent hospitality as well as the outstanding baseball displayed throughout the tournaments. The award-winning Discover Monroe - West Monroe organization has received statewide recognition for conducting events. We recognize the level of commitment and the logistics involved. The 2023 World Series events will be outstanding.

During your visit there are many opportunities available for dining, coupled with the area attractions you will really want to visit. Baseball action at the Sterlington Sports Complex (five playing fields) provide opportunities to witness baseball games from two divisions of DBB. We thank Kerry Elee and Ben Sheets, co-owners of 2 Seam Sports for allowing us to book events at the Sterlington Sports Complex. The Sterlington Sports Complex is one of the best facilities in the country and is host to many outstanding events. Best wishes to the DBB teams in action July 19-26, 2023.
